TECHNICAL SKILLS

Languages: JavaScript, TypeScript, C#, HTML5, CSS3, SASS/SCSS

Frameworks: Next.js, ASP.NET Core, Entity Framework, TailwindCSS

Libraries: React, Prisma, Styled Components

Database Technologies: MySQL, PostgreSQL, MS SQL Server

Architectural Patterns: MVC, MVVM

SOFT SKILLS

Problem-solving, Attention to detail, Creativity, Communication, Teamwork, Adaptability

PROJECTS

RankGuess

February 2023 – Present

React, Next.js, TypeScript, TailwindCSS, MySQL, Prisma

rankguess.com | github.com/LucasWinkler/rankguess

- Developed a full-stack web game that allows players to pick their favourite game and guess the rank of user-submitted footage daily
- Leveraged Next.js for search engine optimization and an enhanced user experience, utilizing both server-side and client-side rendering techniques to increase the page loading speed and user interactivity
- Utilized Amazon S3 to store user-submitted video files and used the YouTube API to upload them to the RankGuess channel, further promoting user engagement

Portfolio Website

October 2022 – December 2022

Vite, HTML5, CSS3, SCSS, JavaScript

lucaswinkler.dev | github.com/LucasWinkler/personal-site-v3

- Developed a responsive and accessible portfolio website using Vite to speed up the development process
- Implemented responsive design principles to ensure that the website looks great on different device sizes, improving accessibility and user experience
- Utilized HTML5 and CSS3 with BEM methodology to structure the website's layout, ensuring a clear and organized codebase

TurboGames

October 2019 – November 2019

ASP.NET Core, C#, MSSQL, HTML5, CSS3

tbstore.azurewebsites.net | github.com/LucasWinkler/TurboGames

- Collaborated with a team of classmates to design and develop a virtual game store using ASP.NET Core
- Utilized code-first design principles to create the database schema, ensuring efficient data storage and retrieval
- Implemented secure user authentication and authorization using ASP.NET Core Identity, protecting sensitive user data and ensuring a safe and reliable user experience

EDUCATION

Advanced Diploma in Computer Programming and Analysis

September 2017 – April 2020

Conestoga College

Kitchener/Waterloo, ON

EXPERIENCE

Crew Member

March 2017 – November 2021

Wendy's | Quicker Foods Inc

Cambridge, ON

- Demonstrated ability to work efficiently in a fast-paced environment, while maintaining focus on customer service and food quality
- Developed strong time management skills by balancing multiple tasks and priorities
- Collaborated effectively with team members to ensure a smooth and efficient workflow during busy shifts
- Developed problem-solving skills by resolving customer complaints and addressing unexpected challenges during shifts
